Sir:

Petitioner respectfully requests that the Commissioner of Patents & Trademarks issue a license permitting the filing of foreign patent applications corresponding to the above-identified application.

Petitioner believes that no Secrecy Order has been issued against the subject matter of this application and that its subject matter is not such that the disclosure thereof would be detrimental to the National Security.

Petitioner respectfully requests that the License be granted and delivered as soon as possible to petitioner's representative: David Hunt, Landon & Stark Associates, One Crystal Park, 2011 Crystal Drive, Suite 310, Arlington, Virginia 22202-3603 (Tel. No. 703-486-1150).

- Three copies of this letter and the subject application are submitted. **Please charge the fee to deposit account no. 04-0203.**

Respectfully submitted,

Abhik A. Huq
